

Todd Anthony Tucker, Jr.
Barnesville High School
12 May 2008

My name is Todd Anthony Tucker, Jr., but I go by T.J. I am the son of Todd and Tina Tucker of Barnesville. My maternal grandparents are Judy and the late Kenny Hayes of Quaker City. My paternal grandparents are Paul and June Tucker of Barnesville. I have one sibling, Lacy Starr, and two nieces, Elizabeth Faith and Emma Louise Starr.

I have participated in numerous clubs while a student at Barnesville High School including: National Honor Society, Junior Engineering Technical Society (JETS), Quiz Bowl, Blood Bash, Spanish Club, Students Against Destructive Decisions (SADD), Key Club, Yearbook, the graduation committee, and Area Youth Soccer. I am a part of the National Honor Roll and have participated in science fairs, winning best overall project my junior year. I was also a member of an Upward Bound Math/Science program, a summer program where forty students from Ohio, West Virginia, and Kentucky are chosen to spend a month taking college classes, living in college dorms, and traveling the United States for free. I have been on the Principal's list for all of high school. I have assisted with several community service activities including: the 3C's cancer walk, blood drives, the Humane Society 5k run, as well as the building of campgrounds in Scioto County.

I will be attending Ohio Northern University in the fall to receive my Doctor of Pharmacy (Pharm.D.) in hopes of one day owning my own pharmacy or possibly working alongside doctors in a hospital setting.
