STATEMENT OF: Ptl. Clayton Galloway

On September 4, 2009 at approximately 03:10 OSP Post 7 advised that they had a vehicle stopped on SR 149 with the driver, a 12-year-old, and his 8-year old brother. Officers made contact with the mother who was advised her to contact the OSP in reference to her son's being pulled over in a green Pontiac Grand Am.

I interviewed the 12 year old who stated that the previous afternoon, he and his brother had taken a wallet from a vehicle on Fairmont Ave. Later in the evening they went back to Fairmont Ave. and entered two dump trucks owned by K&J Machine. The boys also took a fire extinguisher from one of the drum trucks and sprayed it into a vehicle parked at a residence on Fairmont Ave. He then stated that they entered a vehicle on Morgantown Ave. and started it, but did not move it. When they left they took the keys with them because it had a bullet on the key ring and they stated that they were going to try and fire it off. They also entered a vehicle a Belmont Dodge. Then they went to Joe's Tire and tried to start a four wheeler that is sitting by the tire shop. After they had left Joe's Tire they went to the high school and entered approximately 6 school busses. They took a fire extinguisher from a bus and emptied the contents into a different bus.

The 12 year old was transported to Sargus and the 8 year released to his mother.

Investigation and numerous charges are pending.
